## Inspire to design

**Looking for inspiration?** There is a lot to consider when designing your new kitchen or bathroom - it's an exciting time with many choices and decisions to be made.

To assist you in this process, Caesarstone has teamed up with Niemann SA - South Africa's leading manufacturer of cabinet doors - to help you create a design that makes a lasting impression.

## How to use this guide

This guide provides two kitchen door colour suggestions which have been chosen by our team of expert designers to help you create a stunning tonal or contrasting scheme from each of the Caesarstone countertop colours.

### About Caesarstone

Caesarstone is the original quartz surface manufacturing company, and also the name of our luxury engineered quartz surface product. Caesarstone quartz surfaces are ideal for virtually any interior surface from kitchen countertops, bathroom vanities and stairs, to wall panelling and interior furniture. Order Caesarstone samples online at [www.interslab.co.za](http://www.interslab.co.za)

### About Niemann SA

Niemann invites you to be inspired by the broad spectrum of products from their collection. Choose from a wide selection of designs and surfaces, available in various thickness, offering endless design possibilities. The diverse range of edging solutions round off the already broad offering. Order Niemann samples via email at [admin@niemannsa.co.za](mailto:admin@niemannsa.co.za).

# Supernatural collection

Supernatural combines the spirit of nature with the higher performance of Caesarstone; a range that mirrors the complexity, emotion and uniqueness of natural stone while delivering superior quality and durability.

## Frosty Carrina 5141

# Ultimo collection

Lightweight and in vogue, this bespoke range of slimline, Caesarstone 13mm surfaces offers an ultra-modern aesthetic without compromising on durability.

## Statuario Maximus 5031 13mm, polished

Caesarstone's new Statuario Maximus marble-inspired design features broad shades of grey veins sweeping across its soft white base colour, further enriched by delicate background veins.

matched with:

## Sleek Concrete 4003 13mm, honed (also available in 20mm)

Inspired by industrial interior design trends, Sleek Concrete is a fine-grained, deep grey surface with an off-polish finish. Sophisticated, yet demure, Sleek Concrete creates a strong, neutral base from which to add pops of colour to your design.

matched with:

## Fresh Concrete 4001 13mm, honed

Fresh Concrete is the lightest concrete-inspired design in the Caesarstone palette. With a gentle, duck-egg motif, Fresh Concrete helps to create a gentle industrial flavour in any interior design scheme.

matched with:

## Rugged Concrete 4033 13mm, honed (also available in 20mm)

With a raw visual appeal, Rugged Concrete's honed finish adds incredible depth and texture to every interior it adorns. Inspired by nature's mountainous, dark-grey rock and stone, Rugged Concrete is ideal for adding an artisanal touch to your home.

matched with:

\*Shade, movement and graining of actual product may vary from sample or image. We recommend that you select your preferred slabs at the distributor nearest you.

# Classico collection

This classic, multi-colour collection ranges from salt-and-pepper motifs to vivid colour blends, ideal for a variety of residential and commercial applications.

## Pure White 1141

20mm, polished

Pure White is a luxurious, ultra-fine grained, classic white surface that pairs well with modern kitchen designs and bathroom vanities. There is no movement in this colour.

matched with:

## Clamshell 4130

20mm, polished

Clamshell is a chic, understated pale grey surface with gentle movement, making it a versatile surface for any design scheme. It's most similar to Shitake, but with lighter tones.

matched with:

## Nougat 6600

20mm, polished

Nougat is a classic, white surface with organic, chunky quartz pieces in pale, neutral tones. From far away it reads as a white surface, but up close you can appreciate the organic graining and the visual texture it brings to the room.

matched with:

## Shitake 4230

20mm, polished

Mushroom tones and organic movement characterise Caesarstone Shitake. With its neutral tones this colour works well in a variety of design schemes. Shitake is most similar to Clamshell.

matched with:

\*Shade, movement and graining of actual product may vary from sample or image. We recommend that you select your preferred slabs at the distributor nearest you.

## Wild Rice 4360

20mm, polished

With mottled shades of chocolate brown, taupe and malt, Wild Rice offers an organic look and feel, showcasing a lot of movement in its patterning. Full of texture, this surface adds real warmth to any kitchen, restaurant or commercial interior.

matched with:

**NIEMANN**  
Acrylux 0113Z  
Cappucino

**NIEMANN**  
Textile SO12  
Yosemite

## Oyster 4030

20mm, polished

Oyster is an elegant, medium grey surface with a lot of movement and texture. This surface is perfect for creating contrast with lighter colours or for making a moody interior.

matched with:

**NIEMANN**  
Pianovo Matt  
U741 Lava

**NIEMANN**  
Textured R4264  
Grey Oak

## Raven 4120

20mm, polished

Raven's deep grey tones are complemented by subtle movement and light, white flecks that help to break up what could be a severe design. Raven is a bold countertop design that carries a more masculine energy, but could be contrasted beautifully in a light, feminine space.

matched with:

**NIEMANN**  
Pianovo Gloss  
U1290 Basalt

**NIEMANN**  
Textile S025  
Blue Antico

## Jet Black 3100

20mm, polished

Jet Black Caesarstone is bold and black with little to no movement in the graining. If you are looking for a straightforward, black, high performance luxury surface, Jet Black is for you.

matched with:

**NIEMANN**  
Pianovo Gloss  
U1200 Black

**NIEMANN**
